YOUGANMAKE A CHANGE CHANGE FOR LIFE PROGRAM PROGRAM

U.S. Department of Health and Human Services
Centers for Disease Control and Prevention

Have you ever been told by a health care professional that you:

- Are at risk for getting diabetes?
- Have prediabetes?
- Have borderline diabetes?
- Have high blood sugar or glucose?
- Had gestational diabetes?

You may be at high risk for type 2 diabetes, but there is something you can do about it.

The Centers for Disease Control and Prevention-led National Diabetes Prevention Program can help you make a change for life. This program helps you learn how to change your lifestyle to prevent type 2 diabetes. Groups meet for 16 weekly sessions and six monthly follow-up sessions with a trained Lifestyle Coach.

Informational meeting **Monday, Jan. 7 at 12:30 p.m.**Weekly meetings beginning **Monday, Jan. 14 at 12:30 p.m.**Total Health Systems, 43740 Garfield Road, Clinton Township, MI 48038

For more information or to register, call (586) 263-2993 or email dppregistration@hfhs.org.
