

Free Financial Empowerment Workshops

FDIC Money Smart Workshops

*Presented by Daniel J. Wrona,
Michigan Financial Opportunity Corps Member*

These 1-hour classes will cover a wide range of financial topics including:

- **You Can Bank On It**—learn about the dos and don't of banking, transactions, financial institutions, and deposit insurance
- **Credit Reports and Scores**—learn about the importance of credit, how to access your credit report, and understanding credit score.
- **Using Credit Cards**—learn about different credit options available to you and how to manage these successfully
- **Protecting Your Identity**—learn about options to protect yourself and your family in the financial marketplace
