

**Ascension Mobile Heart and Health Screening Center
will be on-site at:**

Connor Creek

4777 E. Outer Drive, Detroit, MI 48234

Friday- June 14, 2019

The non-invasive, **FREE** heart screening includes:

- Cardiac health assessment
- Blood pressure check
- Electrocardiogram (EKG)
- Body mass index (BMI)

Additional information:

- A physician referral is not required.
- Screenings are not typically covered by medical insurance plans.
- All diagnostic studies are performed, evaluated and reviewed by board certified physicians.
- Results of each study are sent directly to the patient's home to share with their primary care physician.

Registration required, please call 313-369-5600 to schedule your screening time.
