Tween Game Night

Astronaut Obstacle Course

Tuesday, July 23, 6:30-7:30 pm

Tweens are invited to show off their out-of-this-world skills with a run through an “astronaut” obstacle course. We will attempt some space challenges, shoot for the moon, and take out a couple alien invaders to see who would make the best space trooper.

Ages 10-14, teens 15-17 welcome as well.

Registration is required; please call 586-751-5377 or use our program calendar at warrenlibrary.net.
