

## DEMENTIA-INFORMED SUPPORT: A TRAIN-THE-TRAINER CURRICULUM FOR DEVELOPMENTAL DISABILITY PROFESSIONALS

People with developmental disabilities are living longer than ever, and with longer life comes an increased risk for dementia. This two-day workshop will teach participants how to train their agency's staff and families on how to best support those with developmental disabilities who are diagnosed with dementia.

### Modules include:

An Introduction to Dementia in those with  
Developmental Disabilities

Dementia Screening and Diagnosis

Communication Changes

Home Safety and Environmental Modifications

Preventing and Responding to Behavior Changes

Planning Activities

Using a Culture of Gentleness to Support those  
with Dementia
