

Building Blocks of Social Development for Young Children

Macomb Social Emotional Network
Helping to Build Better Relationships!

Presents
Building Blocks of Social Emotional Development

With

Heather Locklear

Friday, September 27, 2019
9:00 a.m. to 12:00 p.m.
3 Training Hours with Certificate

Secure attachments and positive relationships are just the beginning... Join us to explore how the building blocks of social emotional development can affect children's learning. Self-regulation, sharing space, collaborative play and executive function...all set the foundation for social emotional competency.
