

Master Composter Course

Sponsored by
Macomb County MSU Extension

Learn different techniques for composting and yard waste reduction

Six Week Class starts Thursday October 3 - November 14

(No class October 31)

6:30-9:00 pm

MSU Extension Assembly Room

21885 Dunham Rd.

Clinton Township, MI 48036

Backyard Composting:

- Reduces waste that must be disposed of
- Improves your garden and flower beds at little or no cost
- Provides a rich humus without producing odors or attracting critters

The Master Composter program has two objectives:

1. To provide individuals with current, correct knowledge and information on composting and yard waste reduction techniques
2. To promote sharing this knowledge with others in the community through a variety of volunteer activities.

The MSU Extension Master Composter classes are taught by MSU Extension staff, certified Master Composters and local compost experts. Course cost is \$50.00 and includes Master Composter Manual. For more information or to register go online to:
