

## Gardening: Plan, Grow, Harvest!

Wednesday, February 19,  
6:00 P.M. - 7:30 P.M.

Warren Public Library  
Dorothy Busch Branch

Having a vegetable garden is a great way  
to obtain local produce.

David Lowenstein, PhD, from the MSU  
Extension in Macomb County will  
describe how to plan a vegetable garden  
and keep plants healthy during the  
growing season. Learn how to be a  
proactive gardener by considering  
factors such as soil, pest management,  
and needs of different plants.
