

# PARENT CONNECTION NIGHT

Facilitated by the Great Start Parent Coalition

For anybody that parents a child up to 12 years old!

## Screen Time and Safety

Do you notice your child's behavior is different after watching a show or playing a game?

It's no secret we live in a digital world!

Join us as we discuss how screen time can affect your child's developing brain, and how to navigate the reality of living in a digital world. Jessica Sanford from Lake Orion Schools will share some tips and screen safety options.
