Summer Reading

June 19th to August 19th

Adult Program

Read books to win prizes! For every book you read, you may enter one grand prize raffle ticket. Several grand prizes will be on display in the library throughout summer reading. Winners will be revealed at the Summer Reading Party.

Tech-savvy adults can submit their entries online too. Go to www.shpl.net to get started.

Teen Program

Teens start their program by picking up a bingo-style goal sheet. Once you've completed the sheet, turn it in to win a \$10 gift card and other goodies!

Two lucky finishers will each win a \$50 Visa Gift Card! The winners will be revealed at the After Hours Teen Party on Friday, Aug. 25. Go to www.shpl.net for more details.

Readers

Young readers will have several flexible weekly goals on a bingo-style sheet. Each week, meet the goals to win a prize. Complete all eight weeks and earn a finishers prize too!

With each weekly prize, you also get a grand prize raffle ticket. Several prizes will be on display throughout the summer. Choose wisely! Winners will be revealed at the Summer Reading Party.

Special Needs

Children with special needs can enjoy a program that is identical to the Readers program in every way except that the reading goals are defined by a parent or caregiver.

Listeners

The listener program is for children who can't read, but still enjoy listening to stories. The weekly goals are slightly different, but the prizes and contest rules are otherwise the same as the Readers.

Babies

Babies can join the fun too! Pick up a simple goal sheet for the summer, fill it out, and return it for a finisher prize that your baby will love!

Summer Reading Party

Saturday, Aug. 26 from 2:00 to 4:00 p.m.

Celebrate another year of summer reading with our favorite petting zoo, Children's Farm! Touch and see goats, sheep, chickens, ducks, rabbits, and an alpaca or llama! There will be so many fun animals that we will host the party at Dodge Park this year. Join the fun, and get a free ice cream too!

Parents, bring some form of picture ID to redeem prizes.
