

Opportunities for school aged children @ Wayne State:

In partnership with Wayne State University, Kinesiology, Health and Sport Studies, LightUp is pleased to host 2 *FREE* motor skill programs for children and youth with special needs, beginning this Fall on Wednesday evenings.

JUMP UP TO PLAY (ages 4 - 8): September 27th - December 6th,
6:30 - 7:15pm

- Developed for elementary school aged children with disabilities and focuses on the acquisition of the fundamental motor skills commonly linked to future participation in physical activity. All athletes enrolled work in a 1:1 ratio with current Wayne State Kinesiology, Health and Sport Studies students.
