

COMMUNITY CONNECT PROGRAM —

JEWISH HISTORICAL SOCIETY VIRTUAL TOUR

Community Connect is pleased to work with the Jewish Historical Society of Michigan. Join us for an afternoon of history! The JHSM will present their “virtual tour” from Hastings to Home. The presentation will allow participants to take a trip back in time tracing the history of early Jewish Detroit, from the first large Jewish community in 1850 to the birth of the baby boom generation.

The Alzheimer's Association - Greater Michigan Chapter's Community Connect program is designed to provide people living with Alzheimer's disease and other forms of dementia and their care partners with a broad range of socialization and culturally significant events and outings.
