2018 Alliance for Housing Point-In-Time Homeless Count

Volunteers Needed!

Why? The Homeless Count and Survey is conducted to produce an estimate of the total number of individuals living unsheltered in the Oakland County area annually. This effort helps us to identify those in need of services and advocate for those services in our community.

What? Over 200 volunteers are needed to canvass the city and count/survey people living on the streets.

When? Wednesday, January 31, 2018, 7-11pm
