Veterans

The Radio Control Club of Detroit wants YOU!

First of all, we would like to extend our deepest appreciation for your service.

The Radio Control Club of Detroit would like to invite you to join and share in the fellowship of men and women that have a common interest in building and flying model airplanes and drones.

We would like to offer you the opportunity to fly in a safe environment at our flying field located in Wetzel State Park (entrance is on 27 Mile Rd. west of Werderman Rd.) and your first year membership is FREE!

If you decide we have what you are interested in, then the second year membership is half price.

You can check us out at www.rccd.org to get all the details about us and what we provide our members. Or you can contact John Bush at jfbush44@gmail.com.
