

Please join us at the  
Mapping Food Insecurity  
**Conference**

This will be a morning conference with speakers who will address key points regarding Food Insecurity. This is a key opportunity to understand the current state of food insecurity in the region. By bringing together a group of people who are working to improve the lives of those negatively impacted, we hope to build the foundation for sustained collaboration among all agencies.

## Meeting Highlights

---

We hope to share information regarding the significance of food insecurity on the members of our community. We will explore best practice and effective programs. We will look at national trends and data. There will be exploration of the health impact on children and senior citizens and their caregivers.

## Target Audience

It is our goal that community partners, stakeholders, donors, civic leaders, and the food pantry community attend this meeting to learn and collaborate.
