

## **Quarters for a Cause - Christmas in July**

**Sunday, July 12, 2020 | 2:00 P.M. – 5:00 P.M.**

**Sterling Lanes  
33200 Schoenherr Rd.  
Sterling Heights, MI 48312**

**How to play: We do sample rounds- very fun!!**

**Quartermania is a cross between an auction and bingo.**

**There will be approximately 12 vendors, some of which could include: 31 bags, Avon, Younique, Paparazzi, Scentsy, Party Lite, Tupperware, and more.**

**Each vendor has four baskets up for auction. Most are one quarter bids. Your ticket gives you four paddles. Each paddle has a number on it and a corresponding chip with the number on it goes into a bucket.**

**So for example, I show my basket of jewelry worth \$20 and you decide you want to bid on it. Each paddle that you decide to use will cost you 1 quarter to bid. If you choose to use all four paddles on the item it will cost \$1 total.**

**There will be a vendor at each table collecting quarters.**

**When quarters are turned in we start pulling numbers. We keep pulling until we get to a number that someone has used to bid on that item, if its yours you win! Then we move on to the next item.**

**There will be approximately 48 items to win. You choose what you want to bid on and how many paddles you use. You can win great stuff for very little.**

**We are also looking to have these for more organizations.  
Its a great way to raise money!**
