**Although we would much rather be with you in person, a virtual walk enables participation from anywhere, by anyone AND by any species! On July 26, we will walk together, socially distanced, in our neighborhoods in support of the Michigan Humane Society and our lifesaving mission.**

**Your participation in this event will raise critical funds needed for us to continue providing critical vet care, rescuing injured and sick animals, and supporting families in need with pet food and supplies.**

**YOUR fundraising dollars are necessary to help every family and animal who needs us this year and beyond.**

**\$25.00 donation to participate.**

**\$60.00 donation to participate includes a 2020 Virtual Mutt March T-Shirt**
