This free assistance is available year-round, including during Medicare Open Enrollment, Oct. 15 through Dec. 7. Counselors are available by appointment only.

To make an appointment, call MMAP at (800) 803-7174.

MMAP, the Medicare Medicaid Assistance Program, is a free service that provides trusted, unbiased information on Medicare and Medicaid plans and issues. MMAP is funded by your tax dollars through the Centers for Medicare and Medicaid Services, to help you find the best programs available for you.
