# VIRTUAL JOB FAIR

Southeastern Michigan Medical/Healthcare Industry

**October 20, 2020 10:00 a.m. to 1:00 p.m.**

Connect with employers who are looking to hire skilled and qualified veterans

Join Veterans Employment Services Division for a Virtual Job Fair spotlighting new job opportunities in the medical/healthcare industry. Whether you are looking to enter the medical field, gain new employment, transition into a different career, or interested in exploring possible opportunities in the industry, we have something here for you! [REGISTER HERE TO ATTEND](#)

When you register, you will be given access to the employers' virtual booths. This provides you the ability to chat with employers directly and make connections based on your skills, qualifications and the positions they may have available.

Want to prepare for your attendance? Consider contacting your local [Michigan Works Service Center](#). Through virtual and telephone assistance, they can assist you with sprucing up your resume, updating your cover letters, and preparing you for engagement with employers.

Another great resource is Pure Michigan Talent Connect, the state's labor exchange that connects job seekers and employers. You can create a free profile at [MiTalent.org](#) and upload or create a resume, customize your job preferences, and much more.

To register, log onto:
