

OAKLAND COMMUNITY HEALTH NETWORK

Michigan Unites for Mental Health Awareness Campaign for May is Mental Health Month

People served, service providers, family members and allies, community partners, advocates, and elected officials are invited to share inspirational messages reflecting Michigan's support of its citizens living with mental health or substance use disorders.

Examples of the types of messages being requested include, but are not limited to:

- Anti-stigma
- Hope
- Recovery is possible
- Protecting the public system from privatization

Select this [Link](#) to submit your message using either a written statement, photo, or video. Your message will be grouped with others from across the State and shared during a Facebook Live event on Thursday, May 27, 2021 from 1 - 2 p.m.

All messages must be received by noon on Friday, May 21, 2021

Developmental Disabilities • Mental Health • Substance Recovery
