Each child is able to receive four outfits per season on a quarterly basis at no charge.

The Kid's Closet works with local ministries and organizations to connect with families, schools, foster parents and social workers to help ensure that each child has what they need.

Trinity's Kid's Closet is dedicated to supplementing closets and providing for clothing needs of children in our community free of charge.

The kids closet is located in the accessory building at Trinity Utica. This is in the North End of our Parking Lot, next to the large Playground Structure.
