

Anti-Human Trafficking Center

**Mission:**

To create awareness of human trafficking and  
move survivors towards true freedom

**Rescue the Innocent.**  
**Restore Hope.**  
**Renew Life.**

We strive to create awareness and advocate for survivors of human trafficking and labor and sex trafficking. We will help restore the lives of survivors by providing case management, linking them with wrap around resources and encouraging healthy relationships. TNTF will provide survivors the opportunity to increase life skills through education, workshops and expressive arts. Our goal is to walk alongside survivors and assist them as they move forward toward full recovery and healthy integration into society including education, job placement, nutrition, housing and stability because every human life is valuable and every human being is created in the image of God.

## True North To Freedom

P.O. BOX 725  
Sterling Heights MI 48311

### Human Trafficking is Everywhere

Everyday men, women and children are enslaved by traffickers

- Sexual Trafficking: prostitution, pornography, strip clubs, child brides
- Labor Trafficking: servitude jobs, household, restaurants, spas, farm workers and more...
- Soldier Trafficking
- Organ Trafficking

It is estimated over 40 million people are trafficked globally each year
