

TURNING 65

AND NEW TO MEDICARE?

Congratulations on your recent or upcoming 65th birthday!

Now is the time to learn about all that Medicare has to offer. The Office of Senior Services, in partnership with MMAP (Medicare Medicaid Assistance Program), is here to provide you with the support you need to make the best Medicare decisions. Participate in one of our upcoming live virtual Medicare presentations. We will take you through the basics and offer additional tools to make transitioning to Medicare less stressful.
