

URBAN WILDLIFE

TUESDAY, APRIL 29 | 6:00 PM
MAYBELLE BURNETTE BRANCH LIBRARY

Join the Lake St. Clair Nature Center as they talk about urban wildlife species that can be found in the most urban of areas, even in metro Detroit.

Large vacant lots, small pollinator gardens, city parks all make suitable habitat for wildlife. Learn how to safely interact with them, as well be environmental stewards on your own property.

**TO REGISTER, PLEASE CALL 586-353-0579 OR VISIT
WWW.WARRENLIBRARY.NET**

The Warren Public Library provides accommodations to individuals with disabilities upon request.

Please contact us at least five days in advance to discuss accommodations for both online and in-person events.
