

Explore Careers in Fisheries and Wildlife!

Free online events for youth ages 12–19!

Curious about working with animals, ecosystems, and the great outdoors? Join 4-H staff and connect with natural resources professionals as they share exciting insights into their fun and fulfilling careers!

Discover what it's like to work in fisheries and wildlife, hear about their fieldwork, education, and career journeys. Each session features 1-2 guest speakers and youth are encouraged to ask questions through a live Q&A.

- Meets monthly on 2nd Tuesdays – next date is 12/9/25
- 6:30 p.m. – 7:00 p.m.

This month we'll delve into the wild side of veterinary science. Join us on Tuesday, December 9th, 2025 at 6:30pm EST for “Adventures in Wildlife Medicine: From the Field to the Clinic.” You will meet Avery Tilley, a veterinary student at the University of Georgia. You'll learn about his work, and the education and career path he followed to get there.

Pre-registration is required: <https://events.anr.msu.edu/WildSpartansSeriesFall2025Spring2026/>
