Spotting Scams

Learn about fraud attempts and tactics used by scammers. Learn how to recognize the red flags and keep your personal information safe . Scams are a big issue in this day and age, and the seniors and disabled adults that IVC helps are often the targets. This workshop will not only assist in helping to keep your own information safe, but will provide you with knowledge about scams to share with the people you may help as a volunteer with IVC.

Free of charge - All are welcome!
