[2026 Southeast Michigan \(Lake St. Clair/Lake Erie\) Fishery Workshop](#)

April 9, 2026 | 6:00 p.m. – 8:00 p.m. In-person or online via Zoom

Sea Grant hosts fishery workshops to provide recreational anglers, commercial fishers, charter operators, agency staff, and researchers with a forum to share and discuss Great Lakes fishery management. While each workshop is different, agendas often cover fish populations and anglers catch data, forage or prey fish surveys, offshore and open water fisheries, fisheries management activities, citizen science opportunities for anglers, and more.

Additional Fishery Workshops available online:
